Do you regularly provide casting instruction to clubs/members on volunteer basis ___x___ yes ___ no

Do you regularly volunteer instructor time at events promoting fly fishing ___x___ yes ___ no

Willing to mentor CI candidates ___X___ Yes _____ No

Additional Info. –

I have been a CI since 2011 and am actively working on preparation for the new MCI test.

I am available to conduct casting instruction for individuals, groups, beginner to advanced. I can also explain and/or conduct the new FFI Casting Challenge program.

I also produce the World Championship Bass on the Fly Fishing Tournament on Lake Fork which donates a portion of all receipts to Reel Recovery & FFI-Texas Council. www.bassonthefly.org

I have provided casting instruction and been a fishing buddy for Reel Recovery and Project Healing Waters.

I can provide all the equipment and offer the participant the opportunity to try out graphite rods of different weights and lengths as well as bamboo and fiberglass.

Guided fly fishing trips on Lake Fork are also available.

I have experience fly fishing throughout the USA, including Alaska salmon and Louisiana red fish, bone fish in Belize and Hawaii, trout in Chile and Kenya, and bass in Mexico.

We usually spend the Summers chasing trout around the Rockies and enjoying the cooler weather.
